DEAR BILL,

Enclosed are TWO Copies of What I Call The COHEN – WEBER OR If you Please the WEBER – COHEN TRADE

THE Purpose is to Furnish you With How I View it NOW that I have had your Coins for over a Week.

Let Me know

Sincerely

Roger.

Won't Historians have a great time Poring over Correspondence like this in 50 years. Who will be the Roger Cohen of 2038? Who will be the ALNB (AMERICAS LEADING NUMISMATIC BULLSHITTER) in That year? Will "Ambassador Bill" have a Counterpart? Stay Tuned. We Might even live to See it even though we both will be over 110. I don't know if this will come true but I've had Pretty good luck as a Seer.

R

WEBER DEAR
